It's no secret that I am completely obsessed with the color *aqua*. Aqua is the color of the ocean. It's the perfect calming beachy blue that reminds me of all of my favorite beach vacations. It's also great for coastal kitchen decor. I love to create mood boards in my free time, plus I love [Amazon](#) so I am always on the lookout for the latest coastal home decor finds.

You can add subtle touches of aqua to your kitchen collection, or something like a large buffet or furniture piece for a pop of color to brighten up a beachy kitchen.
