

# About Me

Hello! I'm Kendra...

Welcome to my Blog. I love the Beach, Interior Design, Beach Decor, and everything about Connecticut! I like to spend my weekends exploring some of the prettiest beaches in New England.

As a child I would spend hours at the beach exploring and collecting seashells. My favorite color is Aqua because it reminds me of the perfect ocean colors of the Caribbean Sea.

The Aqua Cottage is about helping you create a gorgeous, relaxing, stress free home and life! I will share great food recipes, interior design ideas, practical advice, and some of my favorite coastal home decor ideas.

Do you ever dream of running away and becoming a beach bum? Me too, everyday! Hey! A girl can dream. In 2020 I bought a new home. I'm still renovating it, turning into a cozy beach themed cottage. I will share my renovation journey with you and I hope to inspire you to create a home you love!
